Despite the relatively small size of the cryptocurrency industry, cryptocurrency-focused PACs are among the most well-funded this election cycle.

Issues in FEC reporting may affect this list; see the [FAQ](#).

Where crypto-focused PACs fall among the most highly funded super PACs

	Name
1	Make America Great Again Inc.
2	SMP

	Name
3	Senate Leadership Fund
4	Winsenate
5	Fairshake
6	Never Back Down Inc.
7	America PAC
8	Preserve America PAC
9	Club for Growth Action
10	United Democracy Project ('UDP')

This list includes only PACs that are designated with the FEC as independent expenditure only political committees (super PACs), and does not include hybrid PACs. To view all political action and party committees, including hybrid PACs, see the [list of all PACs](#).
