Invoice # 10_EVA69_GranPacifica.pdf;

Hey Valeria, I just sent you an updated worksheet, and information regarding the problem I found this week.

Sorry about finding all those problems, wish I could have helped sooner so this didn't end up a mess. It seems this will be difficult to sort out.

Attached is the Invoice for the work done, which includes a 30% discount which can be paid for the Sea Salt credit.

Just let me know how you would like to pay for the remainder. You can make payment to the USA business bank account, a Nicaraguan business bank account, or issue credit for HOA and other GP fees. Just let me know which works best for you.

Mark
